

## Process of adoption

Unbreakabull Rescue Allies is a foster-based rescue, we are based out of Eugene Oregon, but has fosters all throughout Linn and Lane County. Our dogs are kept in homes with their foster families, we do not have a facility/boarding center. Meet and greets outside of our adoption events are scheduled by appt only and only for approved applicants.

It is our policy that we do not "hold" dogs for any reason. If you are not ready to adopt right away. Please do not apply, check back when you are ready to commit.

We are all also volunteers, even the Directors. We do this on the side, on top of our full-time jobs. So please be patient with us, we try to respond to as many people as possible, however it does not always happen. If you do not get a reply, please always check your spam folder first, and you are welcome to message us after a couple days for a follow up. If there have been multiple applications for a particular dog, it may take a few days to get through the applications and choose the family who will be best fit for a specific animal.

When submitting an application please be sure to complete the entire application including the adoption contract and sign at the bottom. This does not obligate you to adopt an animal; however incomplete application will not be considered, and we will move on to the next applicant.

Once application is approved you will be contacted by the dog's foster for a phone interview, this will be where you can ask all the questions about your new potential pet, as the foster knows them best. We are very honest and transparent about all of the animals in our care and will tell you the good and bad. This is because we want our dogs and families to be successful and prepared. If you decide to move forward a meet and greet is scheduled.

Be prepared to adopt at the meet and greet if all goes well, we do require home visits if you are local, for our out of town adopters we do require you to bring pictures of your home and yard to take place of the home visit. Payment is due at the time of adoption. We accept cash check or Venmo only. If you decide you want to think about it or maybe meet other dogs first, we are totally ok with this. We want there to be a perfect match for every person AND every dog. Just be aware the dog may not still be available later.
